**The Office of Pest Management Policy  
with the EPA Office of Pesticide Programs  
presents**

**EPA's ESA Workplan:  
What Does it Mean for Growers?**

**Join us for a virtual webinar on**

**Monday, May 16  
3:00 - 4:00 pm ET**

In April 2022, the U.S. Environmental Protection Agency (EPA) released [a comprehensive workplan](#) to address the challenge of completing Endangered Species Act (ESA) consultations for pesticide registrations under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). The Workplan, entitled [Balancing Wildlife Protection and Responsible Pesticide Use: How EPA's Pesticide Program Will Meet its Endangered Species Act Obligations](#), addresses the decades-long challenges the Pesticide Program has faced in meeting its ESA obligations, and presents strategies and actions for future success. [Join us](#) as EPA Pesticide Program leaders give an overview of the Workplan and discuss what it means for growers and other agricultural stakeholders.

**Register Today!**

Feel free to share this invitation within USDA and beyond. For questions, [email](#) the USDA Office of Pest Management Policy (OPMP). To receive notice of OPMP webinars, [sign up for updates](#). Learn about OPMP on the [USDA Website](#).

Sign language interpreting services and closed captioning will be provided during the presentation. If additional interpreting services or accommodations are needed to participate in this event, please contact us at: [sm.opmp.pesticides@usda.gov](mailto:sm.opmp.pesticides@usda.gov).
